

Christmas 2019 Dearborn Brand Fundraiser

St. Francis Elementary and Middle School Choirs

Our Christmas Dearborn Brand fundraiser is another opportunity for all Choir members to earn money towards their Fine Arts Accounts. This is a great fundraiser for students planning to travel with the choir in the future, *including the Chicago 2020 trip for Middle School Choir and the Rome 2021/22 trip.*

→ → Our Christmas selling window is especially short this year, due to the late Thanksgiving holiday and the start of Christmas break. *Please note that orders are due Tuesday, December 10 and item pick up will be Wednesday, December 17.* ← ←

How does it work?

You sell delicious, quality Dearborn Brand meat products; the profit from each item you sell goes directly into your Fine Arts account. You can earn money with every Dearborn Brand item you order or sell. Funds may be used for choir trips and other approved SFA Fine Arts expenses, like camps and instrument purchases. See the money you can earn with this fundraiser on the back of this page.

Dearborn Brand offers world-famous spiral sliced hams and turkey, kielbasa, sausage, and bacon – great for holiday meals and entertaining. They also have individually packaged items for on-the-go snacks or lunches. See brochure for specific product details.

What to do:

- Write orders on the attached order form (additional order forms in the music room). Please print clearly. Collect **full payment** (prices on order form) with each order. Checks should be made out to: St. Francis Fine Arts Dept.
- Customers may also order online with a credit card at www.stfrancis2.com/ham. Web orders can be credited to choir members using the “note” area at the bottom of the online order form.
- **Orders with full payment are due by 3 PM on Tuesday, December 10.** Online ordering will remain open until 9 PM on Tuesday, December 10.
- Tell customers that **orders must be picked up on Wednesday, December 18 between 3-6 pm in the St. Francis PAC.** If you can, offer to pick up and deliver orders personally. Mark your calendar and PLEASE DON'T FORGET the pick-up date! It is very inconvenient for us to make other arrangements when orders are not picked up on time.
- Always be respectful when selling. Remind your customers of the pick-up location, date, and time prior to December 18. Thank your customers for helping you and supporting the choir.

Other details:

- This fundraiser will be advertised to the parish and school families. The profit from general parish orders and school orders not attributed to a specific choir member will be put into the Fine Arts fundraising kitty, and shared by those working for Fine Arts fundraising dollars.
- If you have any questions, or if you would like to help on delivery day to earn fundraising hours

(Wednesday, 12/18 between 10am-6pm), contact Mrs. Walworth kari.walworth@comcast.net
